Suit for Divorce. Society circles in Huntington, W. Va., and, in fact, throughout the entire southern section of the State, are agog over the divorce suit entered late ye terday afternoon by Attorney Hal Marcum against his wife, who is conceded to be the belle of Huntington. The wed ding of Marcum occurred about one year sgo, his bride being the only daughter of Rev. William Seymour Winans, jr., pastor of one of the most aristocratic churches in Brooklyn, New York. The bride, a charming blonde, lett for New York to spend the holidays with her parents, and it was while there, it is said, the dashing young Marcum sent her a message announcing that he no longer desired her company a wife. Marcum's w te will, it is said, file a counter petition. Marcum is the only son of Senator James H. Marcum, and it was while he was attending the West Virginia University, at Morgantown, that he met Miss Winans, who was there taking voice culture. No State function of prominence has been complete without their presence the past year Marchin refuses to give out any state-

Stranglers in Tunis. The French and native police at Tunis

arrested Monday upward of 600 persons who are suspected of complicity in the many straugling cases that have occurred recently. The town has been in a state of terror for sometime past owing to a large number of mysterious deaths. In all cases the victims have been found strangled. They were of both sexes, but chiefly young men and women. Within a forthnight no fewer than 13 victims, one of them being a European, have been discovered. As money and others valuables were left on the bodies, robbery could not have been the motive. It is believed the crimes are the work of a band of religious famatics.

Brutally Tortured.

A case came to I ght that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick, of Colusa, Calif, writes: "For 15 years I endured insufferable pain from Rhemmatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely cared me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by E. S. Leadbeater & Sons, druggists.

The uniform success of this remedy has made it the most popular preparation in use for bowel complaints. It is everywhere recognized as the one remedy that can always be depended upon and and that is pleasant to take. For sale by Gibson & Timberman and W. F. Creighton & Co.

Tonic to the System.

For liver troubles and aonstipation there is nothing better than DeWitt's Little Early Risers, the famous little Plits. They do not weaken the stomeet. Their action upon the system is mild, pleasant and harmless. Bob Moore, of LaFayette, Ind., says: "No use talking, DeWitt's Little Early Risers do their work. All other pills I have used gripe and make me sick in the stomach and never cured me. Dewitt's Little Early Risers proved to be the long sought relact. They are simply perfect." Persons traveling find Little Early Risers the most reliable remedy to carry with them. Sold by all druggists.
